| Pre-registration Deadline | ▶ April 13 (Fri), 2018 |

Kidney Research and Clinical Practice (formerly The Korean Journal of Nephrology) is the official journal of **The Korean Society of Nephrology** that encompasses all aspects of clinical and basic research related to nephrology and its allied fields.

Benefits of publishing in **Kidney Research and Clinical Practice**

- Full peer review
- Fast publication
- Indexed in SCOPUS, PubMed Central, ESCI
- High quality of publication with no cost

Submit your manuscript today !

KSN 2018 will feature

- A groundbreaking program with world-renowned speakers
- Scientific themes across all fields of nephrology
- Late breaking science and clinical trials
- Renal pathology, Interventional nephrology, and other courses
- Moderated poster presentations
- Industry luncheon symposia
- Networking opportunities with international peers
- Social programs

Join us for KDIGO-KSN 2018 Joint Symposium on topics on Glomerular diseases, Hepatitis C, and Cardio-renal issues in CKD. Also, inaugural Continuing Medical Education (CME) course with Asian Pacific Society of Nephrology (APSN) will be held on May 18 (Fri), 2018. The CME course will include updated and practical lectures on AKI, Diabetic Nephropathy, Transplantation, Biomarkers, Peritoneal Dialysis.

KDIGO-KSN 2018 Joint Symposium

May 19 (Sat), 2018

Hepatitis C

Jung Il Lee, Yonsei University College of Medicine, Korea
Treating chronic hepatitis C in patients with chronic kidney disease

Michel Jadoul, Cliniques Universitaires Saint-Luc, Belgium
KDIGO Guideline update on Hepatitis C in CKD: new evidence, new recommendations

Cardio-renal issues

Junbeom Park, Ewha Womans University School of Medicine, Korea
Arrhythmia and sudden cardiac death in ESRD patients

Andrew House, Schulich School of Medicine & Dentistry, Western University, Canada
Heart Failure in CKD

Glomerular disease

Ho Jun Chin, Seoul National University College of Medicine, Korea
Current status of glomerulonephritis in Korea

Juergen Floege, University Hospital Aachen, Germany
KDIGO guideline on glomerular diseases (TBA)

APSN-KSN Joint CME Course

May 18 (Fri), 2018

Myung-Gyu Kim, Korea University College of Medicine, Korea
Biomarkers of AKI

Hye Eun Yoon, College of Medicine, The Catholic University of Korea, Korea

Evaluation and care of living kidney donors

Sang Ho Lee, Kyung Hee University School of Medicine, Korea
Transplantation immunology

Sydney Tang, University of Hong Kong, Hong Kong
IgA Nephropathy: 50 Years On

Masaomi Nangaku, University of Tokyo, Japan
Update on management of diabetic nephropathy

Philip Li, APSN President, Prince of Wales Hospital, Hong Kong
The New Paradigms in Prevention and Management of PD-related Peritonitis

Robert Walker, University of Otago, New Zealand
Acute Kidney Injury (TBA)
